

# Grow Together Highland Park

A limited number of grants of up to \$300 available for Highland Park residents for small-scale front, backyard or boulevard gardens (beds, pots or planters).

## Grant criteria:

- **Highland Park residents**
- **Gardens must involve seniors** eg. perhaps your children and an older resident want to grow and tend the garden together, or some of the flowers/vegetables are shared with an older neighbour, or maybe you are a senior and want to share gardening knowledge with the community
- **Gardens should build community in some way**
- **Physical distancing protocol must be observed at all times**
